## WORK EXPERIENCE

### Team lead system engineer and project coordinator

Rexus India Pvt Ltd

01/2019 - 02/2020

Mumbai, India

It is an outsourcing company where it provides IT services, recruiting services to clients all over the world and in India as well.

#### Achievements/Tasks

- Managed a wireless site survey project based in the US and Canada where the end client was AMD inc. where I'm responsible for the end-to-end completion of the project!
- Gathering Human resource for a project of IP-phone installation in Europe in 8 different countries where I'm responsible for the coordination of the client with the site team of Germany!
- Involves in many Hardware procurement projects of China, Dubai, Europe and South-East Asia!

Contact: Kaustubh Salvi. - +91 992-063-7428

## PERSONAL PROJECTS

Portfolio Website (07/2020 - 07/2020)

- We all know how important Portfolio is for an individual, So I created a website for the same the technologies used are Bootstrap-4, jQuery, HTML-5, CSS-3

Blog app (10/2020 - Pre07sent)

- Created a Blog app from scratch where the admin can post the blog post from the admin panel. one can ask the question to the admin with the contact form. Also, provided the facility for the viewers to add the comments to the blog and individually reply to the comments

Bootstrap Resume (07/2020 - 07/2020)

- Created a resume based on bootstrap just head on [shubhamj190.github.io/resume/](https://shubhamj190.github.io/resume/)

Head to my Git-Hub for more projects

- Created many project based on various technologies.
